## *The Corporation of the City of North Vancouver*

### **COMMUNITY HEROES AWARDS PROGRAM**

The **Community Heroes Award Program** is one component of the City's Volunteer Recognition / Appreciation Policy and program. Its purpose is to recognise volunteers who have made outstanding contributions to the well-being of the City of North Vancouver and its community members.

#### **ELIGIBILITY**

Eligible persons for Community Heroes Awards include volunteers well-known in the City for their activities and contributions and, equally, those who have been less acknowledged but whose initiative, efforts and commitment have had significant impact on the community. While recognition of City residents is a priority, non-residents who have made significant contributions benefiting City residents will also be considered. This award program supports the vision and the principles guiding the City's Social Plan.

#### **NOMINATION PROCESS**

Names of nominees may be submitted by any member of the community including City residents, non-profit agencies, groups, and businesses. Nominations from any one organization or individual are limited to two per year. Nominations must be made on the nomination form (attached), and submitted to the Clerk's Department. The **deadline** for nominations is **March 31, 2012**.

#### **SELECTION PROCESS**

A staff report will present the names of the nominees for Council consideration, and the Community Heroes Awards will be made each April during *Volunteer Appreciation Week*. Community Heroes will receive letters of recognition from the Mayor, presentation of a certificate, and be invited to the City's annual Volunteer Appreciation Dinner. Their names will also appear in the *City Views* publication.

Community Heroes will also be recognised by the Social Planning and Research Council of B.C. during *Social Planning Week* in November each year.
